Saxon Shore Junior Cricket League
Pharon Canterbury Junior Indoor Cricket League,
Corporate Member of Hull Park Sports Club.

Dog Owners breaching Cricket Ground Rules

Owners are reminded that dogs may only be walked around the edge of the ground, and must be kept on a lead at all times.

Sadly in recent months, a minority of owners have chosen to ignore these rules, with some becoming verbally abusive towards our members when asked to comply with the rules of the ground.

Most Private Sports Grounds will not allow entry to dogs on health & safety grounds; we have managed to negotiate with our insurers to permit the walking of dogs, providing they are on a lead and are not walked in areas that are used for cricket matches or training.

Unfortunately, unless everybody complies with the rules (which are clearly displayed on notices by both entrances), we will have no choice other than to cease allowing local residents to use our ground for recreation and dog walking. This is not something that we would wish to do, however we cannot afford to have our insurance cover invalidated due to the actions of a few irresponsible people who choose not to respect private property and the other residents who enjoy being able to utilise the facility.
